We had a wonderful turnout for the 2022 Fiesta Fundraiser that was held on September 29 at the Tulare Community Church. Dave Schlick emceed the fundraiser and the dinner was authentic Mexican food from Gaby Galindo and Miguel Morfin, family members of the Escobars. The main purpose of the event was to raise funds for the monthly operating budget for Village of Hope. The upcoming annual operating budget is \$188,844 and it is money well spent. The funds are needed to keep all the ministries going at the Village of Hope, including the feeding programs, after school programs and the pastor's small salaries. This year, the Fiesta raised about \$30,000 in donations, with another \$550 per month in pledges. In addition, one of our supporters raised \$21,000 prior to the banquet. We praise God for everyone's generosity. We know that several of you were not able to attend the banquet, but you still want to donate to Village of Hope. We still need to raise \$131,000 for the operating budget, not to mention several capital improvements that we are raising funds for. Your support is needed and would be greatly appreciated. One time gifts may be mailed in the enclosed envelope or you can go to [www.vohi.org](http://www.vohi.org) to donate online. Since most of our expenses are due monthly, we really appreciate our monthly donors. The best way to donate monthly without any administration cost is to set up a bill pay directly with your bank. Just put in Village of Hope International with our address, PO box 1745, Tulare, CA 93275 and we will deposit your monthly donation.

## Champions of Hope Doug & Wendy Van Beek

Mary Hop, President of Village of Hope International, presented Doug and Wendy Van Beek the Champions of Hope award at the 2022 Fiesta Banquet. Doug and Wendy were recognized for the countless hours of volunteer work on behalf of Village of Hope. Both have been on multiple mission trips. Doug often can be seen riding his bike from work site to work site. Many of the curtains at the Village of Hope have been hand sewn by Wendy. They both have given their time, resources and love to VOH and are well-deserved recipients. When given the microphone for a response, Doug simply said "Go on a mission trip."
